

## Our Value for June is KINDNESS

### Return to School

You will have seen on the news that schools are only being asked to take additional children into school from Years 2,3,4 and 5 if we can accommodate them and staff them in bubbles of no more than 15 children. We have sent ParentMail forms to parents of children in specific year groups and Key Workers so that we can confirm whether we have any capacity. It is really important that any parent who has received a form completes it by the deadline of Monday 15<sup>th</sup> at noon. We can then confirm our groups and clarify if we have space for any additional children. At this stage it is highly unlikely that we will be able to accommodate any children in Years 2,3,4 and 5 whose parents are not key workers. We are also likely to need to merge some smaller 'bubbles' to accommodate the children of Key Workers and there is a possibility that we may even have to close some of our bubbles. Any affected parents will be informed as soon as we are able to, but changes may have to be made with limited notice.

### SEND Drop-Ins

Mrs Boyall (SENDCo) will be holding SEND drop-in meetings with any parents who would like to speak with her as SENDCo. These will be organised online using Google Meet and will take place next Thursday and Friday morning. If you would like to catch up regarding your child's SEND needs or have any concerns that your child may have a Special Educational Need or Disability, please email the school office to book a meeting with Mrs Boyall. Mrs Boyall will then send a meeting invitation using Google Meet from our new [SEND@laburnumprimary.co.uk](mailto:SEND@laburnumprimary.co.uk) email address. If you have concerns, but do not need a meeting, please feel free to email the above address and someone will get back to you.

### Class Structure 2020-21

We do not know what the rules and expectations will be in September yet, but it is possible that social distancing and reduced class sizes will still be in place. When regular classes resume, the teaching staff will be organised as follows:

<b>Nursery (Apple):</b>	Mrs Nicola Gauge (M/T) and Mrs Liz Watts (W/Th/F)

Information regarding support staff in each class will be shared in the newsletter next week.

Please store our new mobile numbers in your phone. You can call them if you have a safeguarding concern, but Mrs Dawes and I may use them to call parents when we are working from home. If you are struggling and need some help, or are worried about another family from school, please do call us on 07742814635 / 07742827178

## Being a Parent Programme

There is always something new to learn as a parent.

We all know being a parent isn't always easy. The EPEC sessions help parents develop new skills. The programme is held in a trusting, non-judgemental environment, where parents are encouraged and supported to explore new ideas. This is done in a fun, informal way and delivered by parents who have first-hand experience of the challenges of parenthood.

- Come along to exchange ideas and tips that help with parenting
- Develop communication skills that are effective
- Celebrate the joys and successes of parenting
- Learning to make playtime fun
- Deal with the challenges of being a parent
- Identify your own needs and your child's needs
- Meet likeminded parents
